Coronavirus COVID-19 Client Safety Questionnaire & Advice Statement

The safety of clients is a top priority of Wood View Sports Massage & Holistic Therapies. To prevent and slow the spread of Coronavirus COVID-19 and reduce the potential risk of exposure to both clients and therapists we are conducting a simple screening questionnaire. Your participation is essential to help us take precautionary measures to protect all parties. In line with government advice and best practice this form should be completed electronically and returned within 24 hours of an appointment.

Thank you for your understanding and co-operation in this matter.

Whilst with us please follow the advice below

Stay aware of the latest information on the Coronavirus COVID-19 pandemic from reputable sources at <https://www.gov.uk/coronavirus> and <https://www.nhs.uk/conditions/coronavirus-covid-19/>

Change in Your Circumstances

Should your circumstances change from those made in the declaration overleaf you must not attend and notify immediately. Kindly note that the cancellation policy still applies, but cases will be reviewed on an individual basis.

Leading Up To Your Appointment

Water cannot be served as part of your treatment currently, but it is really important that you arrive hydrated and drink post treatment. Therefore, please bring water with you.

Arrival Procedure incorporating Track and Trace

Clients must attend treatments alone wherever possible and present themselves wearing a face mask or covering. Please arrive on time, but ideally not too early and wait in your car. Within a few minutes of your appointment time please "check in" by texting "your name" followed by, "Arrived" to 07590 95 00 83.

Entering For Your Appointment

You will be invited in once any previous client has vacated and all pre-treatment checks and sanitising are complete ready to accept you safely. Upon entry your temperature will be taken with a touchless thermometer and you will be asked to wash your hands prior to commencing with your treatment.

During Your Appointment

Please practice social distancing wherever possible which remains at 2m, or 1m with risk mitigation where 2m is not viable, is acceptable.

Please avoid touching eyes, nose and mouth

Practice good respiratory hygiene etiquette. This means covering your mouth and nose with your bent elbow or tissue when you cough or sneeze. Then dispose of the used tissue immediately.

Government advice is to increase ventilation using fresh air, such as open windows, wherever possible. please do speak up if it is too cold or draughty so that it can be addressed. As well as being safe it is important to be comfortable too.

Post Appointment

Cash is still gratefully received but in line with government guidance electronic bank transfer payment is preferred if possible. Due to possible IT and network glitches on appointment day, pre-payment maybe easier and is ideal to save any issues at the end of the appointment.

Finally – If Unsure, Ask

If anything is unclear or you need advice on any aspect, please ask. These are strange times indeed. We will get through it together.
